Aliza Brown is an Associate at Hilco Streambank. Aliza focuses primarily on the IPv4 monetization business. Among other tasks, Aliza heads up the IPv4 transaction closing group, coordinating the complex closing process among buyers, sellers and the Regional Internet Registries (RIRs). Aliza has closed close to one thousand IPv4 transfers (likely a worlds record), making her an expert in the field.

Aliza earned her Bachelor of Arts degree, as well as her Paralegal certificate, notary and real estate licenses from CUNY Queens College, and worked as a Paralegal in worker's compensation, personal injury, and employment law firms. Additionally, she worked simultaneously as a realtor, and at one point, acted as Campaign Manager for a prospective New York Assemblyman's bid for office.

Outside of Hilco Streambank, Aliza lives and breathes animal rescue, welfare, and activism. She has adopted pups of her own, whom she truly adores, and donates to and aids the incredible Brat Rescue Inc. animal rescue as an official member.
